A message from our CEO

I hope everyone has had a lovely summer and is feeling ready for autumn and all the wonderful Christmas activities we have planned. It has certainly been a busy few months here at Live Well with Cancer, and we have lots to celebrate.

We're delighted to be expanding our team and welcoming Katie, our new Cancer Support Lead. Katie brings valuable experience, knowledge and compassion, and we know she will be a wonderful asset to our charity.

Over the summer, we've celebrated the success of Howay the Bay, organised new sessions and activities for our community, and seen Ben nominated for a Northern Cancer Alliance Going the Extra Mile Award. We were also delighted to see Bailey win the BBC Make a Difference Young Hero Award!

We were so thrilled to win **£15,000** in the Certas Energy Community Bloom Awards, something made more special because it was decided in a public vote – thank you to everyone who voted for our charity! We cannot wait to put the money to good use improving the Live Well Hub.

Alongside the highs, we've also experienced sadness, losing five members of our community this summer. Our thoughts remain very much with their families, friends and loved ones. They will be greatly missed and always remembered as part of our Live Well with Cancer family.

And finally, at the time of writing, I'm still waiting to go in for surgery on October 23! So, while I'm looking forward to getting back to full speed, I'm also incredibly grateful to our amazing team, volunteers and community for everything they continue to do.

Thank you, as always, for being part of Live Well with Cancer.

Maureen Elliott

Congratulations to Bailey for winning the BBC Make a Difference Young Hero award! Well-deserved recognition for all his amazing fundraising efforts.

Congratulations Bailey!

A huge thank you to Holly and everyone who helped organise and run our 2nd annual Howay the Bay 15km(ish)! 87 runners made their way from Blyth beach to North Shields, and it was lovely to see everyone enjoy some well-deserved treats after in the Live Well Hub. We can't wait to do it again next year!

Supporters of the Quarter

As we near our 7th birthday, we'd like to say a massive thank you to everyone who has supported our charity over the years.

While many of our community deserve the honour, we'd like to shine a light on one family that has championed our cause for as long as they've been part of our charity.

Ruth, Katrina and Kayleigh are three generations of one family who have worked tirelessly behind the scenes to support us.

Whether signposting people to the Live Well Hub, getting prizes for raffles, volunteering at events or fundraising for Howay the Bay, we can't thank you enough for all you have done over the years.
